Investment Objective	The investment objective of the fund is to seek to provide returns that closely correspond to returns provided by price of gold through investment in physical Gold. However the performance of the scheme may differ from that of the underlying asset due to tracking error.			
Asset Allocation Pattern of the scheme	Instruments	Indicative allocations (% of total assets)		Risk Profile
		Maximum	Minimum	High/Medium/Low
	Gold and gold bullion	100%	90%	Medium to High
	Debt & Money Market Instruments	10%	0%	Low
Risk profile of the scheme	<p>Mutual Fund Units involve investment risks including the possible loss of principal. Please read the SID carefully for details on risk factors before investment. Scheme specific Risk Factors are summarized below:</p> <p>Scheme Specific Risk Factors</p> <p><u>Scheme investing in Gold</u></p> <ul style="list-style-type: none">• The NAV of the units is closely related to the value of gold held by the scheme. The value (price) of gold may fluctuate for several reasons and all such fluctuations will result in changes in the NAV of units under the scheme. The factors that may effect the price of gold, among other things, include demand and supply for gold in India and in the Global market, Indian and Foreign exchange rates, Interest rates, Inflation trends, trading in gold as commodity, legal restrictions on the movement/trade of gold that may be imposed by RBI, Government of India or countries that supply or purchase gold to/from India, trends and restrictions on import/export of golden jewellery in and out of India, etc.• As the scheme proposes to invest not less than 90% of the net assets in Gold, the Scheme is a passively managed scheme and provides exposure to Gold and Gold bullion and tracking its performance and yield as closely as possible. The Schemes' performance may be affected by a general price decline in the Gold prices. The Scheme invests in the physical Gold regardless of their investment merit. The Mutual Fund does not attempt to take defensive positions in declining markets.• Tracking error may have an impact on the performance of the scheme. However the AMC will endeavour to keep the tracking error as low as possible.• Investors may note that even though this is an open-ended scheme, they will have to buy or sell units of the scheme on the stock exchanges where these units are listed for liquidity at the market price, subject to the rules and regulations of the exchange.• The market price of SBI GETS units, like any other listed security, is largely dependent on two factors, viz., (1) the intrinsic value of the unit (or NAV), and (2) demand and supply of units in the market.• Sizeable demand or supply of the units on exchange may lead to market price of the units to quote at premium or discount to NAV. Hence the price of SBI GETS is less likely to hold significant variance (large premium or discount) from the latest declared NAV all the time.• The Fund may have to sell gold to meet recurring expenses. In such an event, irrespective of whether the price of gold goes up or not, the NAV of the Fund will go down due to such expenses.• The NAV of the units is determined based on the formula for valuation of gold prescribed by SEBI whereas the actual price of gold in the market may be different from the value of gold arrived at based on the prescribed formula. This may lead to extreme conditions like NAV being far too different from the domestic market price of gold. In such extreme conditions, the Trustee reserves the right to delay or suspend the redemption of units.• The units of SBI GETS will be issued only in Demat form through depositories. The

If the details mentioned in the application are incomplete/incorrect, not matched with the Depository data, the application shall be treated as invalid and shall be liable to be rejected.

- 21. TRANSACTION CHARGES:** In accordance with the terms of the SEBI Circular No. Cir/ IMD/ DF/13/ 2011 dated August 22, 2011, SEBI has allowed Asset Management Companies (AMCs) to deduct transaction charges per subscription of Rs. 10,000/- and above, where such subscriptions are through distributors/ agents who have opted to receive the transaction charge.

Accordingly, the Fund shall deduct Transaction Charges on purchase / subscription received from first time mutual fund investors and investors other than first time mutual fund investors through a distributor/agent (**who have specifically "opted in" to receive the transaction charges**) as under:

(i) First Time Mutual Fund Investor (across Mutual Funds):

Transaction charges of Rs. 150/- for subscription of Rs. 10,000/- and above will be deducted from the subscription amount and paid to the distributor/agent of the first time investor and the balance amount shall be invested in the relevant scheme opted by the investor.

Hence, if your investments are routed through a distributor please ensure that the EUIIN is correctly filled up in the Application Form. 24 - COMPLIANCE REQUIREMENTS UNDER FOREIGN LAWS / REGULATIONS, INCLUDING FOREIGN ACCOUNT TAX COMPLIANCE ACT (“FATCA”):

As a part of various ongoing tax and regulatory developments around the globe (e.g. FATCA), financial institutions like SBIFMPL are being cast with additional investor and counterparty account related due diligence requirements. FATCA is a U.S. tax initiative that requires all financial institutions to report information to the relevant tax authorities about US accounts or accounts of certain entities in which U.S. persons hold a substantial ownership interest outside the US, as a safeguard against U.S. tax evasion. Similar initiatives are taking place at the behest of many other countries. Subject to applicable local regulations that may be notified from time to time, SBIFMPL is in the process of taking appropriate measures in order to become FATCA compliant, with effect from July 01, 2014. SBIFMPL may also have to comply with other similar laws when applicable. Towards compliance with FATCA and similar laws, we would be required to seek additional personal, tax and beneficial owner information and certain certifications and documentation from our investors and counterparties. Such information may be sought either at the time of account opening or any time subsequently. The onus to provide accurate, adequate and timely inputs in this regard would be that of the investor or counterparty. In this regard, any change in the status or information or certification previously provided should also be intimated to SBIFMPL / Authorised Registrar / KRA, as applicable, forthwith but not later than fifteen days from the date of knowledge of such change in status / information. In the appropriate cases and also especially in case of any omission, delay or failure in providing such information, we shall be constrained to report relevant information pertaining to the account to domestic or foreign tax authorities. For the purposes of such regulations, we may also be required to provide information to any institutions such as withholding agents for the purpose of ensuring appropriate withholding from the account or any proceeds in relation thereto. As may be required by domestic or overseas regulators/ tax authorities, we may also be constrained to withhold and pay out any sums from your account or close or suspend your account(s). Please note that we will be unable to provide advice to you about any tax status or FATCA classification relevant to your account. It is your responsibility to ensure that you record your correct tax status / FATCA classification. You may seek advice from your tax advisor in this regard. Please note that you may receive more than one request for information if you have multiple relationships with various SBI Group entities. Therefore, it is important that you respond to our request, even if you believe you have already supplied any previously requested information.
