In the case of a legal arrangement other than a trust, such term means persons in equivalent or similar positions.

The term "Controlling Persons" shall be interpreted in a manner consistent with the Financial Action Task Force recommendations.

Pursuant to guidelines on identification of Beneficial Ownership issued vide SEBI circular no. CIR/MIRSD/2/2013 dated January 24, 2013, investors (other than Individuals) are required to provide details of Ultimate Beneficial Owner(s) ('UBO'). Accordingly, the Ultimate Beneficial Owner means 'Natural Person', who, whether acting alone or together, or through one or more juridical person, exercises control through ownership or who ultimately has a controlling ownership interest of / entitlements to:

- (a) More than 25% of shares or capital or profits of the juridical person, where the juridical person is a company;
- (b) More than 15% of the capital or profits of the juridical person, where the juridical person is a partnership; or
- (c) More than 15% of the property or capital or profits of the juridical person, where the juridical person is an unincorporated association or body of individuals.

In cases where there exists doubt as to whether the person with the controlling ownership interest is the beneficial owner or where no natural person exerts control through ownership interests, the identity details of the natural person exercising control over the juridical person through other means (i.e. control exercised through voting rights, agreement, arrangements or in any other manner) should be provided.

However, where no natural person is identified, the identity details of the relevant natural person who holds the position of senior managing official should be provided.

In case of a Trust, the settler of the trust, the trustees, the protector, the beneficiaries with 15% or more of interest in the trust and any other natural person exercising ultimate effective control over the trust through a chain of control or ownership is considered as the UBO. The provisions with respect to Identification of UBO are not applicable in case the investor or the owner of the controlling interest is a company listed on a stock exchange, or is a majority-owned subsidiary of such a company.
